Dear [REDACTED]

Confirming our phone conversation of 31 March 1959,
request you remove one (1) Ampex 814 Recorder from
airplane 7047 and pack it for domestic air shipment. This
recorder should be complete with allied control units,
amplifiers and so on. It will be picked up by military
aircraft about 3 April 1959.

Yours very truly,

25X1A
